

By ARTIE DEE
Transportation Editor

This paragraph is dedicated to the good folks who enjoy watching horses run, even horses pulling two-wheeled carts. My wife's brother is an authority on horse racing; in fact, he's spent a fortune on his education. Western Harness Racing begins at Hollywood Park September 30th through December 23rd. RTD will be offering excellent service to the track from downtown Los Angeles on the 57 line, from Hollywood on the 57 line, and from South Gate and Huntington Park on the 54 line. Send for a folder.

The Rapid Transit Design Car will be on display at First & Pine in Long Beach October 17th through the 20th. Try to see this fantastic full-sized prototype of the Rapid Transit car proposed for Los Angeles.

The brand new 133 line connecting La Puente with West Covina and Eastland began operation October 7th. This line passes directly in front of Queen of the Valley Hospital. Three more lines (all new) began operation October 14th.

That 134 and 135 lines will offer local operation in the City of El Monte. The 134 line goes from Norwood Village through the El Monte station and on to South El Monte.

The 135 line starts at Norwood Village and follows a different route through El Monte to South El Monte.

Line 136 began operating on Passions Boulevard in Pico Rivera between Whittier Boulevard & Telegraph Road. This will provide a vital line between these two areas.

Next week I will be describing three more new or improved lines that will provide you with better bus service.

Q. My wife and I recently rode the 51 bus to International Airport from Redondo Beach. Why doesn't the bus stop at all the airlines? We had to walk almost a block. Mr. T. C.

A. The location of the stops are not the decision of RTD. The Airport management makes them. I would suggest you talk to them.

Q. We just moved to Harbor City. Does RTD have a line there? Mrs. L. S.

A. No, that area is served to some extent by Greyhound on Pacific Coast Highway, the Gardena Municipal 4 line loops Harbor City, and San Pedro Transit Lines.

Q. Can I get to Children's Hospital from El Segundo? If so, how long would it take? Mrs. M. R.

A. The 51 line will take you to Vermont, where you can change to the 95 line to Sunset. The hospital is near that corner.

Q. Please tell me how late I can return to the vicinity of Lincoln & Manchester from downtown Inglewood. Mrs. V. T.

A. The last bus during week days leaves downtown Inglewood at 9:24 p.m., arriving Lincoln & Manchester, 9:41.

Send your questions to Artie Dee, Transportation Editor, care of this newspaper. All questions will be answered in the column, or by mail. A system map will be sent FREE to each person writing in. NO RETURN STAMPS OR STAMPED ENVELOPES ARE NECESSARY.
